### Information Notice

**Subject: BCAR-147 Approved Organisation**

#### **1. Purpose**

This information notice (IN) provides information on BCAR-147 approved organisation.

#### **2. Background**

In line with BCAR-147 regulation, BCAA has approved Thakur Institute of Aviation Technology (TIAT) based in Mumbai, India as BCAR-147 approval holder to conduct basic aircraft maintenance courses and examinations in B1.1, B1.3 and B2 categories. The institute also holds EASA and GCAA Part-147 approval.

#### **3. Guidance and Information**

The detailed information regarding TIAT can be obtained from the institute's website (<https://tiatmumbai.in/>). Therefore, all the concerned stakeholders are hereby requested to contact the institute directly for any queries regarding the basic course and modules examinations, and if deemed necessary the Airworthiness section may be contacted.

#### **4. Request for Information**

The Airworthiness section has developed this information notice (IN). For information concerning this IN, contact;

Airworthiness Section  
Bhutan Civil Aviation Authority  
Paro Airport.
